Our Second Collection is for Peter's Pence,

the name for the financial support offered by the faithful to the Holy Father as a sign of sharing in the concern of the Successor of Peter for the many different needs of the Universal Church, and for the relief of those most in need. The faithful's offerings to the Holy Father are destined to Church needs, humanitarian initiatives, and social promotion projects, as well as to the support of the Holy See. The practice of providing material support to those charged with preaching the Gospel is as old as Christianity itself. This link is to the dedicated donation page:

Questions from Cafod and the SVP

We would like to see restoration of the UK aid budget to 0.7% of GNI and a commitment to tackling the root causes of global poverty, injustice and climate change.

Questions to ask: *The UK has slashed its aid budget, turning its back on the fight against global poverty. Will you, if elected, agree to restore the aid budget to 0.7% of national income, as agreed in the International Development Act, and show that we are a country committed to making the world a better place for all?*

Our overseas aid budget has not only been cut, but the Department for International Development has been shut down, and much of the remaining aid money has been redirected to domestic spending. Can you let me know what you will do to ensure Britain restores its aid budget and supports people across the world who are experiencing poverty?
